

# Do you attend or run a group who may benefit from free information?

We can provide advice on:

- Priority Service Register
- Energy Efficiency
- Benefits
- Debt and lot's more

Our Social Obligations Coordinators are skilled communicators and deliver advice sessions to our vulnerable customers. These sessions are informal, educational and useful. During the sessions they'll talk about how important it is to join or refresh the details on the Priority Service Register and the other services they can offer, all free of charge. These are aimed at helping to keep homes, warm and safe.
